Top Scottish Iconic Mini Tour – 2024

4 days/3 nights

If you're looking to make the most of a few days exploring the Highlands and West Coast, this is the tour for you. Experience some of the most iconic sights and locations our country has to offer including stunning Loch Lomond, breathtaking Glencoe, and the magical Isle of Skye.

DAY 1: LOCH LOMOND, THE TROSSACHS NATIONAL PARK & GLENCOE

We leave Glasgow, and head north for Scotland's first National Park and the iconic lochside village of Luss. We then continue alongside Loch Lomond to Rannoch Moor and the awe-inspiring Glencoe, famous for its violent, historical past. You'll end the day in the largest town in the Highlands, Fort William, which is located on the eastern shores of Loch Linnhe. Overnight in Fort William.

DAY 2: ISLE OF SKYE

We head west this morning, for the village of Mallaig and the ferry heading for Skye. We'll spend the afternoon touring the island, passing through Broadford and the Cuillin Mountains to explore the capital of Portree with its colourful houses and traditional harbour. Then we head north to the Trotternish Peninsula with its fabulous scenery and seascapes including The Old Man of Storr, Kilt Rock Falls and the spectacularly bizarre scenery of the Quiraing. Overnight on Skye.

DAY 3: EILEAN DONAN & LOCH NESS

Leaving Skye, we head for one of Scotland's most picturesque castles, Eilean Donan, which sits on its own small island at the head of Loch Duich. After plenty of time for photographs, we then travel through Glenshiel to the village of Fort Augustus on the shores of Loch Ness. You'll have the opportunity to explore the Cairngorms National Park before we head for the Victorian town of Pitlochry where you'll have the chance for a spot of retail therapy in the speciality shops. Overnight in Pitlochry.

DAY 4: STIRLING CASTLE & DEANSTON WHISKY

Making the most of our final day in Perthshire, we'll stop in the pretty village of Dunkeld on the banks of the River Tay before heading to the Deanston Distillery for a tour and tasting. It's then on to Stirling where you will tour the magnificent castle and learn about its history. Finally, we cross the River Forth to our final destination of Edinburgh, and the end of your time with us.
